HUMIDIFIER

M e n g C h o n g

product name:A-19 Humidifier

Product color:Pink, ivory white, sapphire blue

Material:ABS material + electronic components

Packing quantity: 100pcs

Product Size:83*83*100mm

Package dimensions:83*83*103mm

Outer box size:425*425*423mm

Outer box volume:0.077m³

net weight:68g

Input voltage:5V

Input Current:1A

rated power:1.5-2W

Plug interface:Micro USB

Water capacity:250ML

Spray flow:50ml/H

Continuous spray time:Timing 4H

Interval Spray:8H

Executive standard:GB4706.1-2015

Certificate Type:FCC, ROHS, CE, quality inspection report

CE   RoHS 

- ① Key ② Micro usb charge ③ Rotate in the direction of the prompt to open the lid and load the tap water

Instructions for use Spray

operation instructions

- 1 Click the button to turn on continuous spray mode
 - 2 Press the button again to turn on the intermittent spray mode.
 - 3 third time click button to turn off all spray mode
- Interface, ambient light operation instructions
- 1 long press the button for 3 seconds to turn on the ambient light mode
 - 2 Press and hold again for 3 seconds to turn off the light

Warm Tips:

1. Please unscrew the top cover at the counterclockwise, then add clear tap water into the tank, finally turn the top cover clockwise to screw up.
2. Please soak the cotton swab into the water before use, or wait 3-5 minutes to click the press switch to start work after adding water for better spraying.
3. Suggest to use clear tap water.

THANK YOU!
